AFTER SCHOOL HOURS

The After School Program is quite in demand and therefore we are placing a booking list on the Notice Board of the Toddler Community.

Children who currently attend this program permanently are given a fixed place on the list. Parents requiring irregular After School Hours, please book within the slots provided.

Each day can have a maximum of

10 participants and you can book 2 weeks ahead of time.

In the event of you having booked a day, either regular or irregular, and you will not make use of it, please take your child's name off the list, so that other families can make use of our service. Thank you!

NEW DATE DAD'S MORNING TODDLER COMMUNITY

Saturday March 3

All dads are invited to spend some time with their child in the Toddler Community and come and meet the new replacement teacher LISA. Since we have the whole building to our disposal, mums and dads can

also make an introductory visit to the Children's House and have a coffee in the Parent Café! Please indicate your preferred time slot on the sign up sheet.

CHANGE OF ENTRANCE CHILDREN'S HOUSE

Commencing Monday 26th of Feb. which is the first day after the Carnival Holidays, we would like all Children's House children to enter and depart from the back door.

You can now walk along the outside of the building, on the beautiful new pathway to the back door and shelter under the new roof.

From 8.30 to 9.00 one of the teachers allocates her self to welcoming the children. After that the work in the classroom starts.

Could we please remind you that it really helps the flow and organisation of the class when everyone arrives before 9.00! Thank you!
