6 to 11 years old: Years 1 to 5
From 11 years old onwards: Years 6 to 10
Year 11

International Montessori 'Hof Kleinenberg'

Kleinenbergstraat 97-99
1932 Sint-Stevens-Woluwe

'Hof Kleinenberg' served as a farm for 357 years till it was completely renovated and restored to its former grandeur in 2008. It now includes optimal learning environments catering to the developmental needs of the different age groups, a 'historic' school library, science laboratory and multi-functional space used for the arts, and special events such as markets and exhibitions.

The rectangular building houses an international community of children who have the courtyard as their central pivot point. Learning happens inside and outside with the Secondary students bringing a mature feel to it.

The outdoor grounds are extensive. It is used as play grounds for the younger children, garden for vegetables, flower-beds, sports and games for the older children. Under construction is an area for animals, including some small ponies and sheep. Since the school is situated on a small hill named 'Kleinenberg', the children can zoom down on the flying fox.

The After School Hour Programme is available every day up to 18.00 hrs. and caters to a large group of children staying and enjoying the facilities. The location is also used for the summer camps.

Parking facilities are available at both sides of the building. We have a 'kiss and ride' zone and a larger parking for parents who want to spend a bit more time at pick up.

Door to door school bus service is available and the Secondary students can use public transport with a bus stop very close to school.
